WELCOME TO THE CAPTIVATE SCHOOL'S & FAMILY MENU!

Captivate is a programme of partner-led activities connecting arts and creative opportunities through ideas, people and places across Nottinghamshire with a current focus on the areas of Ashfield and Mansfield.

In this booklet, which will be revised and added to every few months, you'll find highlights of our upcoming events, and training and creative opportunities available to you from Arts and Cultural organisations from across Nottinghamshire.

All listings will tell you the key stage they are appropriate for, as well as contact details for the event organiser and whether they are Artsmark (www.artsmark.org.uk) and/or Arts Award projects (www.artsaward.org.uk).

EXCITING News!

Captivate is delighted to have received two years of funding from May 2022 from Arts Council England. We will create more projects for schools, teachers and support children and young people to take the lead in projects within their local area.
